Conscious Living Magazine
Odyssey

Media Pack

"Odyssey Magazine is about an adventure in more conscious living. Its name signifies a quest – a journey of exploration and discovery... the open-endedness of the inner journey."

The butterfly is a metaphor for our quest, our journey, and our odyssey.

Research and analytics (5.12.22) indicate that 79.1 per cent of our readers access Odyssey Magazine on a digital platform with over 422000 reach per edition. To further enhance our digital readers' experience we launched the Odyssey Magazine App. For iOS and Android. Our print model in 2023 has been consciously adjusted to be kinder and more environmentally astute. We will actively reinforce our 'we love it when you buy local campaign' by taking a targeted approach to engaging with more content-appropriate private stockists. With less resultant waste, in keeping with our commitment to planetary wellness.

*Kindness is timeless,
Odyssey Magazine Est 1977*
